about our services**

Tapestry
prevention, care and support

Wellbeing and Mental Health Sessions

Build confidence
at your own pace

Take part in group activities
such as arts, social and
creative groups (if you want to)

Learn simple ways to manage
stress and everyday challenges

Time and support
for self-care

Plan everyday things
that support your wellbeing

Set personal goals
in a way that works for you

Practise communication
in a way that feels comfortable for you

Meet others and build connections
(if you want to)

Relaxation and grounding
activities
